CREST & WINGS

Dear Fellow SoCal CLC Members:

A new year brings new changes, and so it is with our Region. For those who don't know me, my name is Craig Chally, and I'll be taking over as Region Director from Rob Leonard, who has earned a rest after seven years. Rob is staying on as treasurer, and I want to thank him for his dedication to the club and its members. He'll be a tough act to follow!

A bit about me: Cadillacs have always been a part of my life, having had several relatives who owned them when I was growing up, as well as the ones my parents owned. My first car was a 1977 Coupe de Ville, which will explain the yellow beast that's been my car of record at most of the Regional events I've attended. I've been a CLC member since 2003, and a member of the Southern California Region since 2006. I've been the events coordinator for the Region since 2007, and membership coordinator since 2009. If you've been to any of our events over the past couple years, you've probably seen me scurrying around trying to keep things in order. I hope I've done it well. And I'm very thankful to Betsy Davenport, who succeeds me in the post. I know she'll do an outstanding job.

As we move into 2014, the Region's Board of Directors will be working hard to make this a fun and engaging year for the membership. However, no matter how good a job we on the board do, we need input and feedback from you, our fellow members. Have an idea for a club event? Suggestions for improvement? Want to see that Cadillac or LaSalle story you've always wanted to tell in print? Tell us! Contact information for individual board members is listed below. Please don't hesitate to contact us! We want to hear from you!

Speaking of which, February 9 will be our annual Winter Car Show and Brunch at Lakewood County Club. I hope all of you will be able to join us for this great opportunity to socialize with fellow members in a relaxed atmosphere. The event flyer is included below.

I look forward to seeing all of you as the year progresses.

Craig
